

## How do you verify recommendations?

We have layers of validation techniques and rely on both technological and manual verification of the reviews posted on our site. Unvalidated reviews are removed along with inactive listings, in order to keep the database current and useful. We do our best to ensure that fraudulent entries do not go undetected. However, it is impossible for Servicedomino.com to provide any guarantees for services you receive in the future. Under no circumstances will Servicedomino.com be liable in any way for any material and content, including but not limited to, any errors or omissions in any material and content, or for any loss or damage of any kind incurred as a result of the use of or reliance upon the material and content published in a review. For more details please refer to the Terms of Use .
